It is our mission to revolutionize the world of trading & rental through innovative growth strategies for 100% customer satisfaction.

# Introduction

Big Machine Trading Co. L.L.C. is a uprising name in the field of Heavy Equipment TRADING & RENTAL business, which has became a force to reckon in the construction industry. We have continued to rapidly expand our fleet of both heavy and light plant/equipment in order to serve our clients' needs better.

We believe our strength lies in our team spirit prevailing throughout the company.

Each team member is fully committed to delivering superior service to all our customers. At Big Machine, we understand the vital importance of project deliverables. Therefore, we work harder to ensure your targets are achieved. We believe that your success is the reflection of our success.

# The Company

WELCOME TO BIG MACHINE TRADING CO. L.L.C.

Big Machine is proud of its association with leading Construction companies in the gulf region.

Our pride is based on highly technical staff with strong team spirit that allows all parties to aspire to our common goals. Throughout the organization, commencing from Company partners, Senior managers to Senior/Site engineers, Financial staff and Administrative staff to the Site operatives, wherein all individuals work as a team, towards the complete satisfaction of our client.

At Big Machine, we have at our disposal a vast plant with an equipment department, which greatly assists the client in successfully achieving their project targets.

It is our commitment to excellence that sustains us as our clients' No.1 preference.

## Our Core Ethics

- Value employees as our most precious resource.
- Ensure safety and quality in all processes.
- No compromise on work quality.
- Demonstrate our credibility by fulfilling commitments.
- Increase our technology and innovation leadership.
- Take responsibility for our decisions at individual & company levels.
- Aspire to the highest level of excellence in our products and services.
- Believe in moving forward for optimum results.
- Believe that remaining positive and looking ahead are essential for achieving goals.
- Fulfill our promises to shareholders, clients, and employees.

## Excellence Assurance

- Big Machine is committed to achieve customer satisfaction through professionalism, reliability and team work.
- We strive to achieve highest standards of professional excellence and raise the bar for our competitors in the TRADING & RENTAL industry.

## Our Services

We are a provider of world class TRADING & RENTAL services, with an impressive array of completed projects to our credit. Our operations are integrated and diversified in every level of the TRADING & RENTAL process ensuring quality assurance and customer satisfaction.
